Another issue is done and dusted and what an issue of dildo sucking and fucking it is. These girls just wouldn't put them down for more than two seconds, which caused our photographer one or two problems, albeit nice problems! Elle Hunter makes her grot magazine debut after making a name for herself in some of our slightly classier magazines like Club and Mayfair. And what a filth bag she turned out to be, we honestly never knew she had it in her! And what about the rest of the girls? You'll just have to start flicking through the magazine and see for yourself!

BILLIE

Flame-haired Billie is very hot at the moment – which is why we love inviting her to the Paul Raymond Towers to try to extinguish our erections, for a couple of minutes at least. "Oooh, yes. I love being watched while I'm stripping. Now don't be shy, get your cocks out – the sight of them really turns me on. The feel and taste even more!"

DIRTY TRUCKER!

Once in a while my wife Sally and I make a long trip from London to visit family, which takes several hours on the M1 and M6.

This is an ideal opportunity for Sally to flash to long distance lorry drivers. On one such occasion a driver honked his horn and flashed his lights.

I kept him in my mirrors and as I pulled off the motorway, he did too. Sally rubbed at her pussy, telling me to pull over and fuck her. I was approaching a lay-by so I pulled over.

IT WAS AMAZINGLY HORNY. I WAS FUCKING SALLY WHILE SHE WAS WANKING OFF A STRANGER

I no sooner had the handbrake on than she was pulling my cock out of my trousers.

She leant across and placed her mouth over my helmet and started to bob her head up and down my shaft.

Then I noticed the lorry pull up behind us. I didn't tell Sally but merely pulled her dress off so her arse was bare and clearly visible from the passenger window.

A face appeared at the lorry window so I put my finger to my lips to indicate he was to be quiet. As Sally licked my balls. I wound down the window and indicated to the trucker that he should finger her.

He reached and put two fingers up her and I could hear her pussy squelching with the frigging she was getting.

I think she guessed the game when the trucker put his other hand through the window to stroke her tits.

Laying back to take my cock, she reached up through the window and started playing with the trucker's dick, wrapping her hand around it.

It was amazingly horny. I was fucking Sally while she was wanking off a stranger.

Soon I pulled out of her and shot over her belly and thighs.

As she milked the last of the cum out of my cock, the trucker tensed and came over her tits and neck with several grunts and moans.

We both hope the trucker is a fan of Razzle and writes in as Sally would love to receive any contact fan mail.

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

HOW OFTEN DO YOU HAVE SEX?

As often as I bloody well can! I haven't got a boyfriend at the moment so I don't get cock every day how I'd like to, but I am quite a slapper so I still get my fair share of rammings.

Usually on weeknights I stay in because I don't want to miss work the next day. I'm already on my last warning after coming in pissed on consecutive mornings. So during the week I spend my evenings playing with myself. I've got quite a few dildos and I make sure I give them all a piece of the action, sometimes using two at a time to pleasure both holes.

By the time the weekend comes around I'm gasping for a shag. I get tarted up like a slag – you know, tiny little skirt, G-string, low cut top and long leather boots. Then I meet up with a few girlfriends and basically we get pissed up and go out looking for a fuck. We hunt in a pack, which slowly gets smaller as one by one (and sometimes two by two!) we cop off.

Last Friday was a successful hunting trip. All seven of us pulled, including two of the girls who went lezzer and copped off with each other. I pulled this bloke called Rhys and went back to his place. After

he'd fingered me at the bar in the pub we were at, we decided to walk back to his place over the other side of town.

I was quite pissed and randy as fuck.

I SWALLOWED ALL THE SPUNK I COULD, BUT HE SHOT SO MUCH IT SPILLED OVER HIS BALLS

A week on plastics and fi ngers had made me desperate for the feel of a real rockhard cock sliding up my cunt. My pussy was leaking juice and as we cut through the park I dragged him onto the fl oor and started kissing him.

I got on top of him and my skirt rode up around my waist. I could feel his boner pressing out of his trousers and rubbing against my moist gash. I turned round so my juicy snatch was right in his face and I could undo his flies and get at his cock.

As I pulled his trousers off and released his rampant cock he pulled my G-string to one side and lapped at my sweet, soaking pussy.

Hurriedly I yanked his boxers off and closed my mouth over his hot cock. I grabbed hold of the base and wanked him off while I worked on his helmet and the top of his shaft with my tongue. I ran my tongue all around his glans and tried to arrow it down his hog's eye.

He slurped rabidly at my cunt, spreading my arse cheeks wide with both hands.

I could feel an intense climax building up so I slid a hand underneath myself to rub my clit as he worked his tongue over my slit. Then I moved my other hand down and slid a couple of digits into my pussy.

He licked all around my fingers as they squelched in and out of my love tunnel.

I continued to suck his cock, giving him a hands-free deep-throat sucking. I took him deep in my throat, sliding my mouth right down to the base of his cock and taking his full eight inches. With a shudder I came, spilling my cream over my fingers and his face.

Wasting no time, I whipped round and impaled myself on his cock. Then I started riding it like a woman possessed, rubbing my clit as I did. By now I was letting out a constant stream of moans, yelps and obscenities. I'm sure loads of people heard me and probably saw my arse bucking up and down, riding cock with my skirt around my waist. We weren't that far from the street.

Just as I came again and showered his balls with cum, Rhys announced he was about to spunk. I jumped off him and took his cock in my mouth just in time to catch the first jet of cream, which splashed across the back of my throat. I swallowed all the spunk I could, but he shot so much that some spilled out over his balls.

Hungrily I licked him clean, savouring the taste of his jism mixed in with my love

juice. He must have thought I was a total spunk-guzzling nymphomaniac, which come to think of it I am. Then we went back to his place and I demanded he fucked all my holes hard all night – I don't think he could believe his luck!

HAVE YOU EVER HAD MORE THAN 2 IN A BED?

Yes, once I took two blokes home and got double-fucked. It was about a year ago and I pulled them both in this student club. To cut a short pulling story even shorter, I couldn't choose between the two of them and so I asked if they wanted to both bang me. They were mates so they were well up for it – some sort of bizarre male bonding.

I took them back to my place and I slung on a porno video to get us in the mood – and to get a few tips. We were drinking vodka out of the bottle and watching a girl getting fucked up the arse while she rode another guy's cock with her cunt. I'd often thought about taking two cocks at once like that, and I told the lads I wanted to be fucked like her.

Then I got up in front of them and slowly peeled off all my clothes. They sat there on the couch and got their cocks out, slowly pulling themselves off as I undressed in front of them. When I was completely naked I dropped to my knees in front of the first guy and took his cock in my mouth. As I sucked his thick cock his mate took his clothes off. When he was naked I moved across and started licking his bellend, giving the other one a chance to get undressed.

When we were all butt-naked I got on all fours in the middle of the room. Then one of the lads came forward and stuck his cock in my mouth. I began sliding my wet lips up and down his shaft while I listened to the moans of the girl getting fucked on the video. Then I felt the other lad nestling in behind me and beginning to lick my pussy lips.

Once he'd given me a good licking and got my juices flowing he adjusted his position and I felt his cock nudging the entrance to my cunt. I pushed my weight back through my hips and his cock slid inside me. He started to pump, and each time he slammed his cock hard into me I bucked forward and took the other one to the hilt in my throat.

The two lads were whooping and giving each other high fives as they spit-roasted me. "You lucky girl!" they kept shouting, slapping my arse and pumping away.

Deciding it was time for double entry, I got one of them on the floor and sat on his cock.

I PUSHED MY WEIGHT BACK THROUGH MY HIPS AND HIS COCK SLID INSIDE ME

Then I leaned forward and, turning my head, gestured towards my arse at the other bloke. He crouched in behind me and, spreading my arse wide, eased his cock right up my brown-eye.

They then proceeded to double-fuck me ragged. It felt great getting both of my holes fucked full of cock while I watched the same thing getting done to the girl on the porno video. I was yelling the place down and cumming like a fountain until, one after the other, they filled my arse and then cunt with lovely hot man-fat.

HAVE YOU EVER HAD GROUP SEX?

I went to a sex party with a 19-year-old sex kitten friend of mine called Kayley once. We had heard about it down the pub. It was being held in a flat near our block and we sort of knew the couple who were holding it. One of their friends who was going invited us to go along, told us where and when and also told us the password to use at the door, about which we were sworn to secrecy.

We thought it would be a bit of a laugh and decided to go along, though we didn't really know what to expect. We dressed up dead sexy, both wearing stockings and suspenders and tiny skirts with no knickers. We got fairly pissed before we left so we would be that bit more reck-less and rude.

We went to the address and rang the bell. Some fat bloke opened the door a fraction and asked what we wanted. We told him we were here for the party and told him the password. He let us past and we went into a room with the curtains closed and people all over the place. There was some bird giving a guy a blow job on the sofa and another girl riding a bloke's cock right next to them.

In the middle of the floor there was a girl of about 19 being spit-roasted by two tattooed blokes and she looked like she was loving it. It was a pretty filthy scene, and Kayley and me were a bit overawed.

Then the woman who was throwing the party, Dolly, came over to us. She was about 35 but slim and pretty with long dark hair and pierced nipples. She greeted us with a big smile and ushered us through

GREAT TIME OUTSIDE

Me and my boyfriend have a very active and adventurous sex life. We've tried many things, but one day we realised I'd never fucked outdoors.

We decided that day was as good as any. I wore a long skirt and no underwear as my pussy was already wet just thinking about the fucking I was going to get.

I decided to shave my beautiful black pussy that day also. It was soft and smooth and I knew Jon's cock would be hard when he saw it.

We drove for a while and decided to stop down by our local river. After walking for a little while we stopped just off the pathway.

I told Jon to sit down and I took my skirt off. Spreading my legs, I started wanking my shaven pussy hard. I love wanking myself off and being watched.

Jon now had his big thick cock out and was wanking fast, watching me intently. I was so horny that by now my T-shirt was off and I was standing naked playing with my now sodden cunt.

The fresh air and sun beating down on my body was fantastic. I'd just started to suck Jon's cock when he told me someone was approaching along the path.

He asked me if I wanted to go or stay, and I told him we'd stay. The bloke was quite shocked when he realised I was naked and sucking Jon's cock but when Jon asked him to join in he quickly shoved his fingers right up my soaking wet pussy. Moaning in delight, I told him to lick my cunt while I sucked Jon's big dick. By now the guy was wanking hard and I asked him to fuck me on all fours.

Jon said it was OK and I bent over. It was such a horny feeling being naked outdoors and being fucked doggy-style in front of my boyfriend who was watching and wanking.

The guy's big dick slammed fast and hard in and out of my bald black pussy, fucking me like an animal. I love being fucked hard and fast.

Then suddenly the bloke pulled his dick out and sprayed spunk all over my arse and back while my boyfriend shot his load over my face and mouth.

It felt great, all that hot spunk covering my black naked body.

I loved being fucked by a stranger and if any of your readers like what they read then they could be next!

HONEY

Honey, the question on all of our minds is what's your name all about, were you given it at birth? "Good question! No, my real name is really boring, and I'm not going to tell you it, so don't bother asking! Honey was the nickname that an ex-boyfriend gave to me because he thought that my pussy juices were thick and sweet, just like honey! After we broke up I just stuck with it." We'd love to sample some!

CLUB 8 - 10 INCHES

My husband and I love to go clubbing and it really turns him on when he catches guys watching me dance.

On a night out I don't usually wear any underwear as it only inhibits any urges that we will have when we're walking home later.

Anyway, one particular night I had on a tiny black skirt and a very tight boob-tube.

My nipples were protruding for all to see. We had a dance and my husband noticed that some guy was dancing closer and closer to us, positioning himself so he was facing me. He was smil-ing and staring at my very erect nipples.

My husband noticed this so he got behind me and started groping my tits while the stranger and I kept eye contact.

After a couple of minutes my husband slid my top down. He pulled it up again immediately, but it was enough to give the stranger an eyeful.

My husband asked the stranger if he wanted a taste of what he'd seen, and he said he did. We left the club and hurried home in a taxi.

All three of us got into the back of the taxi, horny at the thought of what was to come. In the taxi my husband started stroking my inner thigh and my pussy ached for attention.

I parted my legs as a signal to be fingered. My husband gave the guy a wink and a nod and he stoked my other thigh, going far enough up to feel my juices on his fingertips.

By the time we got home I was aching so much I had started to stroke and finger my soaking pussy, rubbing the juices around my clit.

As we paid the fare and got out the taxi the driver winked at me and I noticed his hand was on his crotch.

Then I realised he must have had a really good view of my eager pussy in his rearview mirror.

We unlocked the front door and went into the living room. I could feel my juices starting to run down my leg. As I grabbed some drinks from the kitchen I heard my husband talking to the stranger.

When I entered the room the bloke, who was called Adam, asked me to dance for them both. I was so horny and really only wanted to feel their cocks inside me but I agreed anyway.

I put on some really sensual music and started to move slowly in front of them, moving my hands up and down my body and squeezing my nipples.

I could see by the bulges in their pants that they were both turned on. I started to slide my hands inside my skirt and play with my pussy.

Adam suggested I remove my skirt so they could see what I was doing. I took my skirt and top off so they could watch me finger myself and rub my juices over my nipples and mouth.

My husband unzipped his pants and eased out his solid glistening cock. I began to lick my lips as he slowly wanked while watching me bring myself off.

Adam then just took off his pants completely and laid them to one side. He said it was because he didn't want to get cum stains on them as he thought he was about to explode.

I asked him if he would like to shoot in my mouth. Before he could reply I was down on my knees licking the pre-cum from his throbbing head.

My husband started to wank faster as I went down on Adam, slowly teasing his solid cock with my teeth.

My husband got behind me and rammed his dripping meat in so hard and fast I nearly choked on Adam's cock. I managed to match my husband's rhythm so that as he pumped me my head moved up and down on Adam's cock.

I could feel Adam starting to tremble and moan before he emptied his sweet hot seed into my mouth. I came right after that, and then my husband and Adam swapped places.

Adam eagerly licked my cum juices and nibbled my clit while I sucked and stroked my husband until he came, mixing both lots of cum together in my mouth.

We went on fucking for most of the night until Adam had to leave. My pussy was swollen and red the next morning but my husband gave it a good licking to soothe it.

My husband really got horny watching me suck another man's cock and being fucked by him. We'll do it again, maybe with a couple of a stranger!

We never thought we'd see the day when Elle Hunter crossed over from our sister magazines, Mayfair and Club, to appear in one of our gottier titles. "I love getting all dolled up for your other magazines, but sometimes a girl just wants to be filthy, get out her dildo and fuck herself on camera. I think Razzle is probably the best fit for that don't you?" Couldn't have put it any better if we tried Elle!

We love it when Chloe Toy pops into the office, but when we watch her dis-robe for our photographer it all gets a little bit too much for us to handle. Flashing her pert arse and tits on the sofa doesn't faze this girl, she's a true pro! "Do any of you guys fancy coming and joining me on the couch, she says jokingly? I'm as horny as fuck, so you can come inside me too if you want?"

Melissa, what's a cute girl like you doing making a living out of taking her clothes off?
"This is going to sound a bit creepy, but my old man has always told me if there's something that you're good at and enjoy doing, why not try and make some money at the same time. So here I am, butt naked with some cash in my pocket!" We think Daddy will regret dishing out that gem of wisdom for the rest of his life!

TRUE CONF

...CONTINUED FROM PAGE 25

a pair of sliding doors into the kitchen where there were quite a few people chatting and drinking, all fully clothed.

Dolly explained the lie of the land to us. The front room, which we had just passed through, was one of the 'action areas'.

These were the rooms where the sex happened. The front room was a free-for-all, the first bedroom was women only and the other bedroom was a total orgy where anyone could join in. The kitchen and dining room were for chatting, drinking and generally chilling out, and sex was not allowed.

She put us at ease and we had a drink. Then she left us alone, telling us to relax, have a wan-der round and do whatever we felt like doing. We decided to go into the front room and see what happened.

We entered a little apprehensively. There were a number of people sitting or standing around watching like us. The girl who was in the middle of the floor was now lying on top of one bloke riding him while another guy fucked her up the arse. She was hot and sweating and making lots of noise. As we watched, another guy standing by the wall wanking his cock went and kneeled down next to her.

She turned her head to one side and sucked his cock for all she was worth, still taking an al-mighty pounding in both holes.

Just then I felt a hand rubbing my thigh and moving towards my cunt. I opened my legs a bit, allowing Kayley to slide her hand up my skirt and rub my pussy lips.

When she pulled her hand away it was smeared with my sticky love juice. I took her fingers in my mouth and licked them clean, pulling her close and exchanging my juices in a kiss.

I sat her on the arm of a sofa and pulled her skirt up around her waist. She had no knickers on so I was able to lift her legs up and kneel down in front of her with her freshly shaved cunt at my mercy. I started licking her out and then felt someone rubbing my tits from behind.

My top was pulled up over my head and my bra undone while I licked Kayley's

ONE BY ONE THEY UN-LOADED BIG DOLLOPS OF WARM SPUNK ALL OVER ME

pussy. I raised myself onto all fours and stuck my arse in the air invitingly. I felt hot breath on my quivering pussy and then a tongue tentatively exploring it. I thrust my hips back, encouraging whoever it was to give me a good tonguing.

I pulled my mouth away from Kayley's so I could see what she was up to. She was also topless and she was snogging some beefy bloke of about 30 and tossing his big hard cock off. I delved my tongue between her lips once more.

Then I felt my own cunt lips being spread. Two fingers were suddenly thrust inside my cunt and a thumb was buried up my arsehole. Whoever was behind me was giving me a good rough fin-gering which I was really enjoying. I wanted to know who it was, so I left Kayley's well-chewed pussy alone and looked over my shoulder.

A youngish bloke with long hair and a goatee beard was working on my cunt and arse. I caught his eye and told him to fuck me. He gave me a sly grin and kneeled behind me. I braced myself for a fucking, but I was surprised (pleasantly) to feel his blunt cock-end straining against my arsehole instead of my cunt.

As I was preparing to have my arse fucked, I found a big hard cock thrust in my face. I took it hungrily in my mouth just at the moment my bum was penetrated. For the next ten minutes I kneeled there on all fours just enjoying a reaming from both ends by two well-hung, experi-enced fuckers.

SESSIONS

It felt so filthy I was cumming over and over again, especially when someone, a girl I think, slid underneath me and licked my clit and cunt too. Finally the two blokes pulled out and dragged me into the middle of the floor, naked and well fucked, and started wanking over me. Three or four more blokes joined in, all standing over me tossing themselves off while I lay there and waited for their cream, frigging myself off.

One by one they unloaded big dollops of warm spunk over my body, hitting my tits, face cunt and legs. I was covered in it and I felt like a dirty, used, beautiful slut. Both Kayley and me had a wild time at that party and pushed new sexual boundaries, especially when a 40-year-old dominatrix did Kayley up the arse with a strapon in the women's room while I sat on her face. Now she is in heaven every time I take the strap-on to her – she loves it!

WHERE IS THE STRANGEST PLACE YOU'VE HAD SEX?

Apart from up the bum you mean? I was going out with this lad called Lee a couple of years ago who organised a surprise for my birthday. He took me out for a meal and then he took me to the zoo.

Yeah, I thought it was a bit weird too. After the meal and a bottle of plonk I was feeling a little light-headed and horny.

Looking at chimps was the last thing on my mind – I wanted cock. I started rubbing Lee up each time we stopped to look at one animal or another. He knew what I wanted, letting me rub his boner and holding me from behind and rubbing it against my arse each time we were pressed up against a cage.

When the coast was clear, we climbed over a small fence and slipped into a shed inside the penguin enclosure for a quickie. The shed was pretty small and had buckets of this and bottles of that all over the place. Lee hitched me up on a shelf and undid my jeans. Hurriedly he yanked them and my knickers down.

I was fumbling with his trousers, desperate for his cock. He pulled it out and without ceremony lined it up between my pink. He put a strong arm around me and pulled me onto his cock. I was quite juicy already, but it was still quite a rough entrance. He wasted no time finding his rhythm, fucking me nice and deep at a steady rate.

I was well up for it, enjoying every thrust of his hard cock and every filthy outburst from his mouth. "You're fucking loving it. Cum on my cock you dirty bitch!" he growled at me, thrusting harder and faster.

I couldn't help myself, involuntarily trembling and gasping and reaching a mighty climax. I dug my nails into his sweating back as I came.

When he pulled out he told me I would have to wait before I could drink his cum. He was as good as his word. Once we had slipped out of the penguin enclosure and out of the zoo he drove me down a country lane, fucked my mouth and filled me with hot cum.

HAVE YOU HAD ANY LESBIAN EXPERIENCES??

Though cock is generally my weapon of choice, I do occasionally like to suck on a nice juicy beaver as well.

Once when I was out on the town with my mates again (all of my pulling seems to be done out on the piss!) I got a bit too drunk and had to be carried home by my friend Kirsty. She helped me back to her place because it was much nearer and I wasn't walking too steadily.

Anyway, she got me home and laid me on the sofa. She made me drink a pint of water and a couple of cups of coffee. After a while the room stopped spinning and I felt OK again – just pissed as a pudding. She snuggled onto the sofa with me and we watched a bit of late night telly.

I was gutted that I had to go because I hadn't had time to pull. My pussy was crying out for some love and if I couldn't have cock, pussy would do just as well. In truth, I'd fancied Kirsty for ages and we were always flirting. I knew she was bi and she knew I'd dabbled, so it was really just a matter of time before we got in on.

As I lay there Kirsty began to stroke my hair. She told me I was very beautiful and I closed my eyes and relaxed as she ran her fingers through my blonde locks and caressed my face. Slowly, her hand inched down my neck and reached my tits. She squeezed them through my top and tweaked my nipples as they stood to attention.

I moved so my legs were open and she was sitting in between them rubbing my tits. My skimpy thong was clearly visible as my short skirt rose up my thighs. She hitched my skirt way up and obligingly I lifted both legs above her head, allowing her to peel off my moist thong. Then she spread my legs wide and went down on me.

She licked my cunt teasingly from top to bottom, getting me more and more excited. Then she began licking my clit really hard, making my body quiver as I felt an orgasm rushing upon me. She slipped a finger into my cunt, which drove me over the edge.

I trembled and moaned uncontrollably as I creamed over her face. Then she went upstairs and came back naked and brandishing a massive double ended dildo.

We sat on the floor and slipped one end of the dildo into her cunt and fucked herself for a while. Then she called me over and I sat facing her with my knees bent and my legs apart.

Slowly she guided the other end other dildo into my cunt. We inched towards each other until we'd swallowed the whole fucking thing – I couldn't believe it!

Then we began moving back and forth in rhythm, fucking each other and ourselves.

We both came with a splash right there on the floor. She spent the rest of the night showing me a thing or two about lezzie sex, and I loved it.

What is it with girls and dildos, why can't they just find a man and use his cock for their pleasure? "I would be more than happy to trade in my dildo collection for some meat but I'm afraid that if I had a boyfriend his cock would be red raw within the first week. So, I'm more a self pleasuring kind of girl who likes to have one night stands here and there!"

GETTING HER KICK

The other day I commented to my boyfriend that his cock could be a little bigger. He seemed to take this to heart as he left for football training.

I felt a bit bad, so I thought I'd cheer him up. I shaved my pussy bald, put on a really short nightie and lay on the settee waiting for him.

I dropped off, and woke to the sound of voices. It was my boyfriend and two mates. I looked at them, and my boyfriend smiled. Both his mates stripped to their boxers.

Then one got his cock out – average in width, but about nine inches long!

I opened my legs as wide as I could, and he came over and slid his rod inside me. He started pumping me as fast as he could.

I came twice in two minutes before I felt a hot feeling in my pussy as he spunked up me. As he pulled out, the other one jumped in.

He was just as long, and as thick as a tree trunk. He pushed his cock up inside my throbbing hole as far as it would go. I though it'd never stop.

He inched it in and I thought he was going to split me in two. Then he pulled right out to his bell-end and slammed it back in again.

He started to drive into me hard and fast until a really strong orgasm raged through me. Before long he too jerked and shot jets of hot cum into my cunt.

Later, when they were hard again I took both their cocks, one up my cunt and the other up my arse. It was amazing having two cocks rubbing together inside of me for the first time.

When they left my boyfriend fucked me three times. The next day I couldn't sit down, but neither of us said anything about the night before.

Since then I have fantasised about it often and hope it will happen again soon.

Ann, Essex

Bonnie made the not-so unusal request to dress up for her photo shoot, and we're always up for a bit of fun over here at Razzle, so who were we to deny her request! Little did we know that she was going to come out of the dressing room wearing a genie's outfit! "I knew you would all laugh as soon as you saw me, which is half of the reason I chose such a ridiculous outfit." And the other reason? "Well, genies rub lamps and there are lots of things I like to rub my hands all over, if you know what I mean!" We do!

FALLEN II WICKED PICTURES

Starring: August Taylor, Casey Calvert, Jenevieve Hexxx, Jessica Drake, Leigh Raven, Luna Star, Misty Stone.

"Wicked Pictures and Award Winning Director Brad Armstrong bring you the most highly anticipated sequels in Adult Entertainment history. The original Fallen was chosen one of the '30 Greatest Adult Movies of All Time' and has been the company's biggest selling and most critically acclaimed film of the past decade. Now the adventure continues on the 10 Year Anniversary of the epic blockbuster's original release date. In Fallen II Angel (Jessica Drake) and Keith (Brad Armstrong) continue on the next chapter of their dark journey. A decade has passed and the world is a colder, darker place. The duo still roam the city streets in search of any sinful pleasures that come their way, but they've become a shell of what they once were, no longer human or angel, trapped in an earthly purgatory, caught between the living and the dead."
